

INFINITI HR WORKERS COMPENSATION SOLUTION

Infiniti HR is pleased to include your on our master workers' compensation policy that has been designed to significantly lower ultimate insurance costs and remove the burden of annual renewal shopping. The new program has been aligned with State National Insurance and is a stable and long-term commitment from an A+ rated global carrier.

Essential Information:

All workplace injuries must be reported to an Infiniti HR representative immediately - regardless of how insignificant the injury or complaint may be at the time of the incident.

The injury reporting form requires immediate completion and must be emailed promptly to claims@infinitihr.com or faxed to 410-630-5474.

Please send any employee requiring work-related medical attention to a provider with the Authorization for Treatment Form - you may complete this yourself to assure prompt medical care.

An Infiniti HR representative will coordinate prompt medical triage and facilitate the filing of the claim and manage the ongoing claims administration efforts including return-to-work expectations.

Should you need to determine the location of an approved medical facility, please contact us or you may utilize the link www.talispoint.com/firsthealth/?AE=996406254&CAID=CCMSI& to find a suitable medical facility.
