

## First Fill – Workers’ Compensation First Fill Program

Mitchell **ScriptAdvisor** has been selected by **Next Level Administrators** to assist you in obtaining prescription drugs related to your workers’ compensation claim. This form enables you to fill prescriptions written by your authorized workers’ compensation physician for medications related to your injury. Simply **fill in the form below** and present it at the pharmacy at the time your prescription is filled. This form should ensure that you will have NO out-of-pocket expenses when you fill your first prescription.

For your convenience, **Mitchell ScriptAdvisor** has an extensive network of retail pharmacies including major chain drug stores. For pharmacy locations, you may call our toll-free number or visit our website at **www.ipsusa.com** to use the pharmacy locator.

 **Employee**

- Present this sheet to the pharmacist along with your prescription
- Provide you SS# and Date of Injury at the pharmacy to use as your Member ID#
- Please note: You may receive a permanent retail card in the mail for your workers’ compensation injury.

 **Pharmacy**

- This sheet is a Temporary Prescription ID Card for a **14 Days'** Supply Fill and Max \$\$ Amount of **\$150.00**.
- All data needed to process this script through the Script Care Adjudication System is included in the drug card represented below.
