

“The suite of services INFINITI HR provides makes us look like a much bigger employer and helps us be an Employer of Choice; we can offer additional services that many companies our size cannot offer because we are affiliated with INFINITI HR.”

- Ted J. Torres, CHA | Principal, ALLUINN

ALLUINN currently holds more than \$500 million in hospitality and multi-family development projects located in Southern California, South Carolina, and Texas. ALLUINN specializes in hotel development, construction, operations, management, real estate brokerage, commercial insurance brokerage, multi-family construction, general contracting, consulting, and business advisory. Its principals have more than 150 years of business experience and have been involved in the development of thousands of housing units, hotel rooms, and hotel gaming rooms across the US. Difficult development projects and municipal jurisdictions are ALLUINN’s specialty. When the time came to outsource difficult employer obligations for this world-class developer, ALLUINN called INFINITI HR.
