

CHALLENGE

Clarity Voice delivers cloud unified communications/VoIP phone services to franchised businesses, multi-location companies, and organizations with inbound sales and service centers.

In 2004, Clarity was looking for one core provider to solve its three main challenges:

- 1) The company was in search of a reputable PEO that would provide worldclass service and is scaled for Clarity's smaller size and scope.
- 2) Clarity wanted a personalized local service partner that would provide more individualized attention.
- 3) Clarity was looking for a PEO specializing in franchise management.

SOLUTION

- Full suite of HR services via the PEO model.
 - On-demand HR.
 - A grandfather discount for the life of the Clarity account (no admin fee).
 - On demand training and an account represented by INFINITI HR's National Alliance Division.

WHY INFINITI HR

- Reputation in franchise management.
- Cost efficiency.
- A customizable PEO that can scale to Clarity's size and scope.
